With this collection, our support programs that address the causes of poverty and provide a sustainable future for those struggling across the country. In addition, 25% of the funds we collect will remain in our diocese to fund local antipoverty projects. Please prayerfully consider how you can support this collection and work on the margins.

Living and Giving in Christ

In his letter to the Ephesians, St Paul calls us to be co-responsible in building up the Body of Christ. One important way that we build up the Body of Christ is by making a commitment to steward our financial resources toward the ministries of the Diocese of Cheyenne, our local church.

As members of St Louis Parish, we are co-responsible for \$21,672 of a \$2,015,000 diocesan-wide goal. So far 35% of our parishioners have made a financial commitment of \$12,645. Our parish currently has a shortfall of \$9,027. To avoid paying from our general revenue, we need everyone's participation - no matter how small the gift- to reach our goal. Please prayerfully consider making a sacrificial gift in support of

Living and Giving in Christ.
