## **National Eucharistic Revival**

“Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.”

## **Our Participation In The Mass**

By Coming together with the community of the faithful and participating in the Mass, we give public witness that we belong to Jesus and to His body, the Church. It is also a public testimony of our faith in God and our hope of salvation. But sometimes it might seem like the priest and the deacon are the ones “doing” the Mass, and the rest of us are just the audience. The Catechism tells us that “it is the whole community, the body of Christ united with its head, that celebrates” this sacramental liturgy (CCC 1140). We have different roles to play, but we are all called to celebrate in a profound way at each and every Mass.
